**"OUR COMMON WELFARE SHOULD COME FIRST.
COUPLE RECOVERY DEPENDS ON RCA UNITY."**

August 11, 1995

Dear Fellow RCA Couples,

We welcome you to **Star Spangled Recovery** - The 5th Annual RCA International Convention in Washington, D.C. August 11, 12, 13, 1995. You are about to begin a very spiritual journey - some of you for the first time - some for another time - a journey that will stay together with you and your relationship.

It is here we will learn more about Intimacy - Honesty - Trust - Love - Healthy Sexuality - Recovery as a Couple - Relationships, truly a **Star Spangled** program for all of our attending fellowship to enjoy. Again we say "WELCOME".

To the Washington D.C. convention group for hosting this 5th annual RCA program, we extend a big **"Thank You"** and a major congratulations for all the effort and work put in to cause this wonderful occasion to occur. What has been accomplished here will be inspiring to all future conventions and the groups who host them.

This year the convention will open with our formal business meeting at 2 pm, where you can meet your trusted servants, discuss the past years developments - be a part of building the 95 - 96 RCA goals and summarize with Committee Chairs as they give their reports for the past year. Listen or participate as Delegates give their reports and goals to the Board as this fellowship belongs to all of us to help guide and grow.

We urge you all to please attend this very important function of RCA "The Business Meeting."

This year The RCA Board will be replacing two retiring member couples and electing two alternate couples. Please consider this wonderful opportunity to do 12 Step Service. I guarantee you this is a super experience for working couple recovery and at the same time have fun helping RCA grow. Think about it - ask present Board members what it is like - go for the gold, the RCA gold - Board Service.

Included within is our comprehensive Annual Business Report as put together by "Super Judy" our WSO Manager. You will see from all the activity that Judy has been a very busy person for the past year. This fellowship is growing and as it does it requires more time to take care of the requests from all of us who come to the WSO office for material and information. Please stop in and see Judy at the RCA WSO Store. She wants to meet all of the voices she talks to and visit with "The Mail Makers" it is a great way to give her a big thank you.

Have a neat time while you are here - again "WELCOME TO CONVENTION 95" !

Your World Service Board.
