Who we are:

"Ours is a fellowship of recovering couples. We suffer from many addictions and dysfunctions, and we share our experience, strength, and hope with each other that we may solve our common problems and help other recovering couples restore their relationships. The only requirement for membership is the desire to remain committed to each other and to develop new intimacy.

There are no dues or fees for membership; we are self-supporting through our own contributions. We are not allied with any organization. We do not wish to engage in any controversy, neither endorse nor oppose any causes.

Although there is no organizational affiliation between Alcoholics Anonymous and our fellowship, we are based on the principles of AA. Our primary purpose is to stay committed in loving and intimate relationships and to help other couples achieve freedom from dysfunctional relationships."
